Preschool Update- Paula Williams

1. Eyes are on readiness at this time of the year, working on age appropriate skills for them to be prepared for the 4 year old class or to move onto TK or Kinder.

Open Questions-

Q. Is there a healthy option parents can choose for their kids instead of candy with the candy gram, specifically for preschool students?

A. We don't have that option for this year but something to consider in the future.

Q. Have families been turned away from Kindergarten that have been attending preschool or have older siblings enrolled at ACS?

A. There are many variables that are looked at commitment to the school, length of enrollment, school families that were enrolled in our preschool, there was enough movement to get everyone in that wanted to. Some had to go on a waitlist but they were able to get in.

Important Upcoming Dates:
