PHILOSOPHY OF EDUCATION

Mission Statement

Adventure is a Christ-centered comprehensive school, committed to preparing students to impact the complex world around them for Christ through critical thinking, character development, and service.

Vision Statement

To equip and empower Christian leaders who will serve their communities with excellence.

Pillars

Deep Faith, High Achievement, Broad Impact

Statement of Faith

The Bible

The Bible is God's Word to us. It was written by human authors, under the supernatural guidance of the Holy Spirit. It is the supreme source of truth for Christian beliefs and living. Because it is inspired by God, it is the truth without any mixture of error. (2 Timothy 3:16 2 Peter 1:20,21 2 Timothy 1:13 Psalm 119:105, 160, 12:6 Proverbs 30:5)

God

God is the Creator and Ruler of the universe. He has eternally existed in three personalities: the Father, the Son, and the Holy Spirit. These three are co-equal and are one God. (Genesis 1:1,26,27, 3:22 Psalm 90:2 Matthew 28:19 1 Peter 1:2 2 Corinthians 13:14)

Jesus Christ

Jesus Christ is the Son of God. He is co-equal with the Father. Jesus lived a sinless human life and offered Himself as the perfect sacrifice for the sins of all people by dying on a cross. He arose from the dead after three days to demonstrate His power over sin and death. He ascended to Heaven's glory and will return again someday to earth to reign as King of Kings, and Lord of Lords. (Matthew 1:22,23 Isaiah 9:6 John 1:1-5 14:10-30 Hebrews 4:14,15 1 Corinthians 15:3,4 Romans 1:3,4 Acts 1:9-11 1 Timothy 6:14,15 Titus 2:13)

The Holy Spirit

The Holy Spirit is co-equal with the Father and the Son of God. He is present in the world to make men aware of their need for Jesus Christ. He also lives in every Christian from the moment of salvation. He provides the Christian with power for living, understanding of spiritual truth, and guidance in doing what is right. He gives every believer a spiritual gift when they are saved. As Christians we seek to live under His control daily. (2 Corinthians 3:17 John 16:7-13, 14:16,17 Acts 1:8 1 Corinthians 2:12, 3:16 Ephesians 1:13 Galatians 5:25 Ephesians 5:18)

Human Beings

People are made in the spiritual image of God, to be like Him in character. People are the supreme object of God's creation. Although every person has tremendous potential for good, all of us are marred by an attitude of disobedience toward God called "sin". This attitude separates people from God and causes many problems in life. (Genesis 1:27 Psalm 8:3-6 Isaiah 53:6a Romans 3:23 Isaiah 59:1,2)

Salvation

Salvation is God's gift to us, but we must accept it. We can never make up for our sin by self-improvement or good works. Only by trusting in Jesus Christ as God's offer of forgiveness can anyone be saved from sin's penalty. When we turn from our self-ruled life and turn to Jesus in faith we are saved. Eternal life begins the moment one receives Jesus Christ into his life by faith. (Romans 6:23 Ephesians 2:8,9 John 14:6, 1:2 Titus 3:5 Galatians 3:26 Romans 5:1)

Eternity

People were created to exist forever. We will either exist eternally separated from God by sin or eternally with God through forgiveness and salvation. To be eternally separated from God is Hell. To be eternally in union with Him is eternal life. Heaven and Hell are real places of eternal existence. (John 3:16 John 14:17 Romans 6:23 Romans 8:17-18 Revelation 20:15 2 Corinthians 2:7-9)

Biblical Morality Statement

Adventure Christian School (ACS) stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the Biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear Biblical teaching that gender is both sacred and established by God's design. Parents, or legal guardians, who choose to enroll their students at ACS, are agreeing to support these and other basic Biblical values derived from historical Christianity. Parents understand and agree that ACS will teach these principles and Biblical values.

In addition, ACS urges parents to recognize their scriptural responsibility (Deuteronomy 6:1-9, Psalm 78:5-6, Proverbs 22:6) to provide their students with a Christian education and to understand that the primary responsibility for this task rests with the parents (Ephesians 6:4). ACS was founded and continues to operate upon Biblical values and the desire and commitment for Bible-believing Christian parents to enroll their students in an intentionally Christian environment.

ACS believes that every person is created in the image of God, that human sexuality reflects that image in terms of intimate love, communication, fellowship, subordination of the self to the larger whole, and fulfillment. God's Word makes use of the marriage relationship as the supreme metaphor for His relationship with His covenant people and revealing the truth of that relationship is of one God with one people. Therefore, God's plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage. This is the only relationship that is divinely designed for the birth and rearing of students and is a union made in the sight of God, taking priority over every other human relationship. This is validated by Genesis 1:27-28, 2:18, 23-24; Isaiah 54:4-8, 62:5; Jeremiah 3:14; Hosea 2; Malachi 2:14; Matthew 19:4-6; Mark 10:9; John 2:1-2; Ephesians 5:22-32; 1 Timothy 5:14; Hebrews 13:4; Revelation 19:7-8.

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Gen 1:26-27). Rejection of one's biological gender is a rejection of the image of God within that person.

Non-Discrimination Statement

Students with special needs may be admitted on an individual basis with due consideration to the program offered and the needs of the student. All students enrolled must meet the ambulatory requirements of the Department of Social Services of the State of California. Adventure Christian School, LLC admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship, and loan programs, athletic or other school-administered programs.

Academics

Students will be encouraged to be problem solvers, critical thinkers, effective writers, have digital literacy, and be effective communicators. Students are challenged with rigorous coursework that is aligned with California's A-G college entry requirements. Opportunities for dual-credit coursework allow students to graduate with credits from colleges and universities, up to an associate degree. Adventure is currently applying for accreditation from the Association of Christian Schools International (ACSI) and the Western Association of Schools and Colleges (WASC).

History

The history of Adventure Christian school began with the vision of the leadership of Adventure Church to open a preschool through twelfth grade one day. As they prayed and sought the leading of the Holy Spirit, they opened their first preschool classes in 1999 and have continued to provide Christ-centered education since. Now offering preschool – high school grades, Adventure Christian School continues its commitment to partner with families in training students to embrace God's Truth, strive for excellence in academics, and model Christ-like character.

Minimum Days 8:30 a.m. - 12:30 p.m.

Before and After School Care Ministry (ASCM) 6th-8th

Before school care is available for 6th-8th grade students Monday – Friday 7:00 a.m. – 8:00 a.m. After school care is also available for 6th-8th grade students Monday – Friday 3:15 p.m. – 5:30 p.m. To enroll your student in before and/or after school care, please complete the Google Form on the

ParentsWeb Dashboard (accessible from the school website). Rates, contract, billing info, and available dates will be included in the ASCM packet.

Attendance Policy

Students at Adventure Christian School are expected to attend school regularly and promptly. Parents are encouraged to make personal appointments before or after school as not to interrupt the student's daily routine or that of the other students in the class.

Absences

Please report your student's absence through the school app or the Report an Absence Google Form found on the ParentsWeb Dashboard (accessible from the school website) if your student will be out sick. Parents may request missed work and may pick up the items from the reception desk. Make-up work will be available 24 hours after the time the school was notified.

There are two kinds of absences:

- Excused – Sickness or a death in the family is excused according to California State law. If a student has been diagnosed as having a contagious disease or described in future sections of this handbook, kindly notify the office so that precautions can be taken and notifications to other families can be sent home in a timely matter.
- Unexcused – All other absences that do not fit into the above description.

*Excessive Absences - Students who are absent more than 10 days in a semester may not receive credit for that semester. All absences (excused or unexcused) count towards total absences. The only exception to this is for a medical emergency or unusual circumstances that will require administrative approval. Students with excessive absences described above will be placed on probation, and if continued absences of 10 or more days in a semester continues, the student may be recommended to withdraw from the school at the direction of administration.

Tardiness

Promptness is expected from all Adventure Christian School students daily. Students will be marked tardy if they are not in the classroom by 8:30 am. The student must go to the front reception desk to receive an admittance slip for excused or unexcused tardies to then give to the teacher. Dropping off a student at the curbside when tardy is not permitted. If tardiness becomes a habit, the teacher will recommend a conference with the parents and/or school administration. Excessive absences and tardiness may result in academic probation.

Vacations

With the accelerated pace of academic teaching at ACS, and to minimize missed instruction time, families are encouraged to schedule vacations when school is not in session. Should your family schedule a vacation outside school closure days, they will be considered unexcused absences. Please coordinate with your student's teacher(s) at least two weeks prior to your departure, so that adequate time may be extended to the teacher to gather class materials. All academic work will be due upon the student's first day of return to school. No additional days will be extended to a student to complete missed work due to vacation.

Student Custody & Identification

For families who have student custody arrangements, Adventure Christian School requires that a copy of the court documents describing custody arrangements be provided before the student is enrolled in our program. These papers will be kept in the student's file and referred to if needed. If there is a court order restricting anyone from contact with your student, we ask that a copy of the court order be provided to administration.

Drop-Off / Pick-Up

Students may be dropped off at 8:00 a.m. at the earliest unless students are enrolled in before school care which is available from 7:00 a.m. to 8:00 a.m for 6th-8th grade students only. Morning time is crucial for teachers to complete last minute preparations, make copies, set up their classroom, and most importantly attend devotions with their fellow staff members. If you would like to speak to your student's teacher, please call the office and leave a number to schedule a time to meet after school when you both can sit down uninterrupted.

For a safe and orderly drop-off, and to ensure passenger safety, please help your student develop the habit of being prepared to exit/enter the car when you arrive at the designated drop-off/pick-up area. Dropping off a student at the curbside when tardy is not permitted.

Dismissal

Students will be excused at 3:15 pm. Unless Adventure Christian School has been notified by written or verbal permission from the parents or legal guardians, no other person will be allowed to pick up any student from the school, even if they are on the emergency card.

All students should be picked up at the drop-off and pick up area no later than 15 minutes past dismissal time. Students who walk/ride home should also exit the campus by this time. Any 6th-8th grade student not picked up within 15 minutes after dismissal may be placed into our After School Care Ministry (ASCM) and charged the afternoon drop-in rate.

Closed Campus Policy

ACS has a closed campus policy regarding visitations, however, parents, youth pastors, and alumni are welcome to visit at lunch. All visitors must sign in at the school office and wear a visitor's badge.

At no time during school hours are students allowed to leave the school grounds, even during recess or lunch period, except by previous arrangement. If arrangements have been made and the student is to be picked up before the end of the day, the parent or legal guardian must first check in at the school office, sign out their student, and they will be released into the care of the parent or guardian.

School Visits

Prospective students and their parents are encouraged to visit if they are interested in attending Adventure Christian School. Permission for a student and parent to visit must be scheduled by the office staff prior to the visit or tour.

Admissions

ACS uses the following admissions process described below for new applicant consideration:

1. Application - Each student must complete an online application and pay a non-refundable application fee.

- For all applicants: a copy of the applicant's most recent report card for the current year must be attached to application or emailed to the admissions department.
 - For incoming applicants: a copy of the end of year report card from applicant's most recently completed grade level
 - Completion of teacher recommendation letter which can be found on school website's Admissions page must be submitted prior to the application being deemed complete.
2. Assessment - An academic assessment is required for all applicants to evaluate the skills sets of the applicant as well as learn more about the student's emotional and developmental readiness. This tool uses ACS benchmarks which are accelerated compared to state benchmarks. We reserve the right to deny enrollment to a student for any reason.
 - New ACJH and ACHS applicants - Assessment will cover reading, math, and writing
 3. Evaluation – Upon completion of the assessment, ACS administration will review the student's admissions file including past report cards, teacher recommendation form, and assessment.
 - Parents may receive a phone call from administration to discuss the results of the review, or
 - Parents may receive a request for a student and parent interview.
 4. Notification - Upon completion of the evaluation, the admissions committee will meet to decide if the student is accepted or is encouraged to work on skill set areas and reapply next year. Notifications of the evaluation decision will be emailed.
 - Acceptance Offer - After receiving acceptance notification, parents must complete an enrollment packet for each student, pay school enrollment fee (non-refundable), forward all required documents (immunization records/birth certificate copy/physician's report as applicable) and agree to pay tuition fees in a timely manner.
 - Recommendation to Reapply – Your student may be recommended to apply again in a future year after working on skill set areas to best set up your student for success in our accelerated program.

Each family must be supportive of Adventure Christian School's Philosophy of Education and all subparts contained therein. Failure to do so may result in dismissal of the student.

Students both new and returning must have all required medical documents/birth certificate copy on file in the school office no later than August 15th as to not delay the student's start to the school year.

Students must be in good standing academically and behaviorally during their previous school year.

ACADEMIC EXPECTATIONS

Students at Adventure Christian School are encouraged to always do their best. Report cards are completed and sent home quarterly. Parent/Teacher conferences are held at the end of the 1st quarter. In addition, progress reports may be issued during the fifth week of each quarter for students who have fallen below satisfactory.

Academic Evaluation

Student evaluation is an on-going and continuous process. Adventure Christian School staff will monitor and measure student performance in all areas of academics including class work, homework, tests, class participation, and special projects. Report cards will be issued a few days after the end of each quarter.

Students must pass core subjects and be performing at grade level by the end of each school year to be promoted to the next grade. In the event the student is not ready to be promoted to the next grade, he/she will be given priority in registration. Repeating a grade will aid students who are struggling in academics.

Grading

The following scale will be used for all classes:

98 - 100	=	A+
93 - 97	=	A
90 - 92	=	A-
87 - 89	=	B+
83 - 86	=	B
80 - 82	=	B-
77 - 79	=	C+
73 - 76	=	C
70 - 72	=	C-
67 - 69	=	D+
63 - 66	=	D
60 - 62	=	D-
Below 59	=	F

All teachers use FACTS to record their students' work. FACTS ParentsWeb is made available by personal password to each family to review and be knowledgeable of their student's academic progress.

Make-Up Assignments

Students are required to make up missing assignments when absent due to illness or emergencies. The number of school days for an excused absence constitutes the number of days allowed to make up assignments. Please see your student's teacher for appropriate make-up assignments. Students may check ParentsWeb to access all homework assignments.

Adventure Christian School strongly encourages families to plan vacations and trips during our school-wide days off, ensuring our students are not missing the scheduled activities and academics with their class. Please make arrangements according to the vacation section of this handbook and note the student does not receive additional days to make up missed assignments due to vacation. Students may access homework assignments using Google Classroom and/or RenWeb.

Missing Assignments

Assignments are due the following day unless otherwise stated, i.e. special projects. When an assignment is not turned in on the appropriate day, the assignment will be considered missing/late. Missing work will receive percentage point reductions off the earned grade accordingly:

6th Grade and Up: 10% deduction for each day late up to 5 school days. After five school days missing, assignments may not be accepted and a 0% will be recorded for that assignment.

Homework Policy

Homework is an important part of your student's education and contributes to the student's success at school by reinforcing and maintaining skills taught in the classroom. Homework is defined as class work not finished during the regular school day and work assigned by the teacher to be completed at home.

Students may require extra time as projects are assigned. Projects help students with scheduling and planning of their time.

Failing Grades

If a student fails a core class (History, English/Language Arts, Math, Science, or Bible), it will be a requirement to make arrangements with administration to do make-up work during vacation to earn a passing grade prior to promotion to the next grade level. The additional expense will be the parent's responsibility.

SPIRITUAL EXPECTATIONS

Bible Emphasis

Adventure Christian School students are taught the academic disciplines primarily using Bible-based curriculum. This includes Biblical studies in class, memorization of teacher assigned Bible verses, and other applications of scripture as discussed in class.

Chapel

Each week all students at Adventure Christian School participate in Chapel, which is a time to gather as a school for a time of worship, prayer, and Biblical teaching. Parents are welcome to attend any of our chapels. At times, the students participate and prepare the chapel, so parents are encouraged to attend on that particular day.

Bible Memorization

Students at Adventure Christian School are required to memorize scripture as a part of their weekly routine. Scripture teaches in Psalm 119:10-11, "I seek you with all my heart; do not let me stray from your commands. I have hidden your word in my heart that I might not sin against you."

Textbooks

Adventure Christian School primarily utilizes ACSI, ABeka and Bob Jones curriculum. We do give the teachers the right to supplement any subject with additional curriculum as they feel necessary. The school orders all approved textbooks and workbooks. If a textbook is lost or defaced, the student's account will be charged an appropriate amount for replacement. The NIV version of the Bible will be used in our classrooms.

SOCIAL EXPECTATIONS

Behavior Strategies

God holds parents responsible for the training of their students according to Deuteronomy 11:19 and Ephesians 6:4. The administration and teachers at Adventure Christian School are grateful for the trust and partnership with parents to provide an environment where your student may grow in the love and knowledge of our Lord and Savior. Parental support is crucial in every area of schooling for students. Consequently, discipline issues must be carried out at home as well as at school. Together we are a team in providing the best environment for all students and fostering a positive learning experience for all.

The Bible is our source of inspiration and gives every believer a guide to Christian living. Adventure Christian School will work diligently to teach all students the importance and value of living a life

which is pleasing to the Lord. "Train up a student in the way he should go, and when he is old he will not turn from it." Proverbs 22:6. Part of this training will include discipline. Discipline should be seen to correct behavior, help students make wise choices, and raise disciples in God's eyes. "No discipline seems pleasant at the time, but painful. Later, however, it produces a harvest of righteousness and peace for those who have been trained by it." Hebrews 12:11

School Wide Behavior Philosophy

All students at Adventure Christian School are considered a contributing factor to school success. Our goal is to have a school-wide behavior plan that partners with parents to equip each student for success.

The staff at ACS works as a team to encourage all students to be successful. The staff will support and promote a positive school environment by consistently following the guidelines written below. Each student will be expected to behave in all areas of the campus and to treat all adults with the same level of respect.

ACS believes in teaching the students the value and importance of making good, responsible choices. If a student is making responsible choices, he/she will receive positive rewards in our merit system and/or teacher created incentives. Students who choose not to adhere to schoolwide expectations will be refocused using our schoolwide behavior plan.

Schoolwide Expectations

Students are encouraged to discuss problems that need solving with the adult supervisors. Our goal is to encourage appropriate behavior and equip our students with problem solving tools.

- Students will be on time, responsible, and prepared.
- Students will show respect for themselves and others, take pride in the school and use all property and equipment in a safe manner.
- Students will follow directions the first time given.

Classroom Expectations

The teacher is responsible for order and discipline in the classroom at all times. Examples of classroom rules and procedures are as follows:

- Enter the classroom quietly, prepared for class and on time.
- Follow directions the first time given.
- Complete all assignments.
- Show respect to your classmates, teachers, and others.

Chapel Expectations

- Show respect to speaker, teachers, and classmates.
- Engaged participant in chapel.

ACS Behavior Response Plan

When a student makes a choice in class, in passing areas, or during an extracurricular activity, that does not align with expectations the teacher will follow the behavior plan as listed below:

Teachers should employ a variety of techniques for dealing with student misbehavior. Among those, but not limited to, are:

Level I – Any minor disturbance in the classroom or common areas:

- Eye contact
- Proximity placement
- Verbal warning
- Changing a student's location in the classroom

Level II – Repetitive behavior from items in Level I:

- Private conference with the student
- Sending the student to another teacher for a reset time
- Time out from lunch or time after school

All level II incidents should be documented in RenWeb and communicated to the parents, by the teacher. Teachers record and email the behavior incident through the RenWeb Behavior tab.

Level III – Activities and attitudes that show a lack of respect for authority, some examples include, but are not limited to repeated teasing and/or taunting, sexual harassment, use of profanity, or physical fighting:

- Office referral
- Parent contact made by administration
- Conference with parents

All level III incidents will be documented in RenWeb and communicated to the parents by administration. Administrators will debrief with the teachers regarding communication with parents.

Level IV – Activities that show gross lack of respect for authority or property; activities that violate biblical moral codes of conduct; any repeated activities listed in levels 1-3:

- Behavior Plan
- Suspension

All level IV incidents will be documented in RenWeb and communicated to the parents by administration. Administrators will debrief with the teachers regarding communication with parents and Head of Schools will be notified.

Level V – Violation of the U.S., state, or city laws; activities that seriously threaten the safety of the student or classmates, failure to uphold ACS/ACHS Behavior Plan:

- Withdrawal from ACS/ACHS

All level V incidents will be addressed by Head of Schools and school administration.

*In all cases, ACS & ACHS administration reserves the right to have the final decision in the consequence for any disciplinary action.

Behavior Strategies

Merits

One of the primary methods we use to establish a healthy school culture in our middle and high school grades is using positive reinforcement, otherwise known as merits. Some of the ways students can earn merits include Acts of Kindness, Always Being Prepared, Displaying Integrity, Having a Good Attitude, Being a Model of Consistency, Having a Servant's Heart, and Showing Responsibility.

Merits are accumulated and tallied on a yearly basis, and incentives are given for the following:

6th-8th Grade

- 3 Merits = Free Homework Pass
- 5 Merits = Free Dress Pass
- 7 Merits = Free Drink from the Café
- 10 Merits = Free Lunch (Chick-Fil-A or In-N-Out)
- 13 Merits = Free Spirit Wear

Demerits

Some of the ways students earn demerits in middle and high school grades are Disruption in Class, Horseplay, Disrespect, Inappropriate Comment/Action, Being Off-Task, Lunch Misbehavior, Bathroom Misbehavior, Tardy, Unprepared for Class, and Chromebook Not Charged.

Demerits are accumulated and tallied on a quarterly basis.

Middle School

- 3 Demerits = 30-minute detention
- 6 Demerits = 60-minute detention

9 demerits = 90-minute detention & behavioral contract

High School

3 Demerits = 60-minute detention

Warrior Award

The Warrior Award is presented monthly to a student who exemplifies at least one, or all our three pillars (Deep Faith, High Achievement, Broad Impact). Students are nominated by the middle and high school grade teachers and selected by the administration.

Disciplinary Probation

A student may be placed on disciplinary probation after chronic or a severe infraction(s) of school rules and policies. Students will have to meet specific criteria to be removed from probation and remain a student at ACS/ACHS.

Student Suspension

An administrator has the authority to suspend a student. The length of suspension will be 1 to 5 days as determined by the administrator. A student may be suspended from school only after communication with a parent. Terms for re-admission will be discussed with the parents before allowing the student to return. While on suspension a student is not allowed to attend or participate in extracurricular activities. Students are required to complete all schoolwork assigned during their absence. This work will be graded and recorded.

In-School Suspension

Students may be assigned In-School Suspension, which means they are excluded from participating in regular classes but are able to complete class work in school. Students are not permitted to participate in extracurricular activities while on suspension.

Recommending a Student Withdrawal from ACS/ACHS

Withdrawal will be at the discretion of Head of Schools and administration and will be recommended if it becomes apparent that the school will not be able to meet the needs of a student or that the student's behavior is affecting the overall classroom environment. Withdrawal may also be recommended for unresolved academic issues, attendance issues, or disciplinary probation. When withdrawal from ACS/ACHS is recommended, a date of withdrawal from the school will be set and the withdrawal procedures followed. The withdrawal date may be immediate.

HEALTH & SAFETY

Health

To prevent the spread of illness, we ask that if your student is ill he or she be kept at home. Some symptoms which keep a student from attending school include, but are not limited to:

- A temperature above 100.4 degrees (student must stay home for 24 hours after fever resolves without use of medication)
- Vomiting and/or diarrhea (student must stay home for 24 hours after last episode and free of recurrence without use of medication).
- An unidentified rash.

- Constant runny nose.
- Nasal congestion and/or frequent cough.
- Eyes that are red or have discharge coming from them.
- Any open or oozing wound or rash will be looked at by the school nurse or principal and she/he will decide whether admittance into school for that day will be allowed.

If a student becomes ill during the day, the parent will be contacted and requested to come and pick up the student as soon as possible. The student will be taken to the school office and monitored until the parent arrives.

All student absences are to be reported through the school app or through the Report an Absence Google Form on the ParentsWeb Dashboard accessible on the school's website. Please reach out to our school nurse with questions and concerns.

Immunizations

Students entering California schools for the first time must present written evidence from a physician or agency performing immunizations that they have been fully immunized as required by the State of California.

Seventh grade students must have an immunization record showing the Tdap (pertussis) booster and receipt of no less than two varicella boosters in his or her lifetime.

Asthma and Other Chronic Illnesses

Please be sure to update your student's medical information on ParentsWeb including medical conditions, allergies, severity of allergic reaction, reaction type (hives, anaphylaxis, etc.). If your student requires an EpiPen, please have your student's pediatrician fill out the Food Allergy/Anaphylaxis Emergency Care Plan located on the ParentsWeb Dashboard and submit to the school office. It is also helpful to alert your student's teacher, P.E. teacher and the school office/school nurse. If applicable, a written statement from the doctor must be submitted to the school office detailing necessary action which must take place in case of a medical emergency. If a

student is laboring to breathe or is in any other danger which cannot be quickly alleviated by medication, emergency professionals will be notified immediately.

For students with asthma, please provide an inhaler to keep at school with directions to use as necessary in case of an emergency. Please have your student's pediatrician fill out an Asthma Action Plan located on the ParentsWeb Dashboard and submit to the school office.

Allergies – please make sure to update your student's allergies in RenWeb including your student's reaction and severity of their allergy/response.

Medications

In the event your student needs medication during the school day, the following criteria must be met:

1. All medications must be turned into the office and a Medication Authorization Form filled out by the parent/guardian. Medication Authorization Forms may be obtained on the ParentsWeb Dashboard accessible on the school website, or in the office.
2. Only office staff members will be allowed to administer medication to students.
3. Medications must have the original label on them displaying the physician's written directions and the patient's name.
4. Over the counter medications (including cough drops) must be in the original packaging.
5. Medications are not to be kept in student backpacks.

It is recommended/suggested, if your student suffers from frequent contact allergies or itching, to provide hydrocortisone or Benadryl cream to the school office/school nurse to administer as needed.

Similarly, if your student suffers from frequent headaches, cramps, pain from braces, etc., please provide Tylenol or Motrin to the school office/school nurse to administer as needed.

Accident and Injuries

Parents will be notified in cases of accidents, injuries, or illness via email or phone call depending on the severity of the ailment. If our staff is unable to reach the parents, emergency contacts will be notified. Please be sure your student's emergency contact information is always up to date. Updates to emergency contacts may be made in ParentsWeb.

Safety Drills

Safety drills will take place once a month at Adventure Christian School. During this time, students are taken to a designated spot in the parking lot. Teachers are responsible for taking roll during the drill to ensure the safety of all students. Please speak to your student about the importance of cooperation during these drills. In the event of an actual emergency, students will remain with their teachers until all parents are notified and students are safely released to their families. Adventure Christian School takes your student's safety very seriously. Teachers have emergency preparedness trainings, meetings, and drills regularly.

PARENT INFORMATION

Adventure Parent Connection

The Adventure Parent Connection, known as the APC, offers an opportunity for parents to get involved in our school. The primary focus of the APC is to support the administration and staff and to

offer avenues of involvement for parents. APC is responsible for a yearly school wide fundraiser. Parent involvement is vital for the success of our fundraiser. We invite all families to participate.

Animals on Campus

Sometimes students want to share their pets with their friends on campus and while we too love furry friends, to protect all students from the unpredictable nature of animals, no animals are permitted on campus.

Birthday Parties

Families are welcome to bring a special birthday treat for the class with prior approval from the student's teacher. If your student is having a birthday party or special get together outside of school, please do not ask the classroom teacher to distribute invitations, or to place them in cubbies or student's backpacks. Please distribute the invitations off campus. Thank you for your sensitivity.

Cell Phone Policy and WiFi / Smart Watches

Middle School: Cell phones may be brought to school but cannot be seen, heard or used during the school day and placed in the student's backpack including before and after school care. If a phone is found outside of a student's backpack, staff will confiscate the phone and turned in to the school office. In case of emergency, students may use their cell phone with teacher/administrator permission first.

Students are discouraged from wearing watches to school that have Wi-Fi capabilities including, but not limited to, iWatch, Android Smart Watch, Garmin, Gear, FitBit Flex, etc. If a student is wearing a smart watch, it must be in school mode and not receiving notifications. If a student is found using a smart watch in a manner beyond time keeping, it will be confiscated, and the item taken to the school office. All confiscated items must be picked up by the parent from the school office.

High School: Cell phones may be brought to school and utilized during student time such as passing periods and lunch. Cell phones may not be used during class, and students must place their phones (off or silent) inside of their backpack or in the cell phone caddy in each classroom, per the teacher's discretion. Students may wear smart watches throughout the day. During class, a smart watch should not be used in a capacity other than time keeping. The possession and use of electronic devices is considered a privilege, and not a right. To help students learn appropriate use of devices, consequences for misconduct involving electronics may result in suspension of this privilege or other consequences as determined by school staff.

Field Trips

A permission slip and parent participation sign-up sheet will be sent home prior to each activity. Parents who will be driving on the field trip must complete a driver form, a current California driver's license and insurance on file in the office. Additionally, parents attending any field trip must have attended the school's parent volunteer meeting and have cleared fingerprinting and a background check. *Please note that a field trip day is considered an academic school day. If your student does not attend, it will be recorded as an unexcused absence.

Fundraising

Under certain circumstances, fundraising activities may be approved for a limited time (i.e. club or athletic programs).

Promotion & Graduation

Eighth and twelfth grade students must be in good academic and behavioral standing to promote or graduate and participate in commencement ceremonies at the end of the year. Additionally, financial accounts associated with the graduating student must be current for students to participate in end of year activities such as, but not limited to, graduation ceremonies, graduation trips, etc.

Lost and Found

Any items left around or in the classrooms are placed within the Lost and Found located in the A building lobby. All items that are labeled with easy-to-read names on them will be returned to your student. All items without names will be donated. Please neatly label all coats, jackets, sweaters, etc.

Lunch Program

Students will be given a 30-minute period to eat their lunch and take a break from classwork.

Hot lunch is available Monday through Friday. Parents place their online order and submit payment online no later than the day prior by 9:00 am. Because we contract with outside vendors, no refunds of ordered lunches are available, nor is the school able to switch lunch order days due to school absences, field trips, change of mind, etc.

The school does not have adequate space for storing student lunches, therefore we cannot offer refrigeration. Ice packs are a great way to keep your student's lunch fresh if the food from home needs to be kept cold. The school also has no way of heating lunches making thermoses a great choice for hot foods on cold days.

Mandatory Reporting

All staff members are also mandated reporters and required by law to inquire and report any unusual matter involving your student to proper authorities. The Department of Social Services (DSS) shall have the authority to interview students or staff and to inspect and audit a student or facility records without prior parental consent. Adventure Christian School shall make provisions for private interview with any student(ren) or any staff member, and the examination of all records relating to the operation of the facility. DSS shall have the authority to observe the physical condition of the student(ren), including conditions which could indicate abuse, neglect, or inappropriate placement and have a licensed professional examine the student(ren).

Parking and Driving on Our Property

The school has a very specific driving and parking policy in place for the protection of everyone while on our property. Please adhere to all rules and regulations while on our premises. Failure to do so may lead to disenrollment of the enrolled party from our program.

- No cell phone usage while driving.
- Speed limit is 10 mph.
- Park in the specified school parking lot only.
- Obey all posted signs.
- Do not leave personal property/valuable items in your vehicle. ACS is not responsible for lost or stolen items.
- Do not leave small students unattended in your car at any time. This is a state law and is considered student endangerment.

Student drivers must obtain a parking permit from the school office prior to driving or parking on campus. Students must adhere to the rules above, and only park in designated student parking spaces. Students are not permitted to access their vehicles during the school day. If there is an exceptional circumstance, a student may receive one-time permission to access their vehicle if granted permission by school administration. Vehicles parked on campus are subject to search in the event of reasonable suspicion that a student may have prohibited or dangerous items in the vehicle.

Parent Volunteers

Parent volunteers are welcome to help the teacher with class parties, special projects or field trips. A fingerprint/background clearance must be on file in the office prior to parent volunteers receiving permission to work in the classroom or driving on a school field trip. Additionally, parents must also attend a parent volunteer meeting prior to working in the classroom or attending a school field trip. Individual classroom teachers will set a schedule of days and times in which they need help from parents.

Re-enrollment for Following School Year

Each year, students must re-enroll for the following school year including payment of an annual, non-refundable reenrollment fee. For a student to be eligible to re-enroll, the financial account associated with that student must be current and in good standing. Additionally, the school reserves the right to place a student on probation and suspend a student's re-enrollment for the following school year if academic, behavioral, or financial concerns are warranted by administration.

Tuition and Additional Fees

To help our families with the cost of tuition, Adventure Christian School offers a 5% discount on the annual tuition if paid in full by August 20th. As an alternative to paying the annual tuition in a lump sum, a ten-month tuition payment plan is offered with payments due beginning August 15th – May 15th. A \$25.00 late fee will be added to all balances not received by the 20th of the month. There will be no reduction in tuition due to illness, vacations, or holidays. A \$35.00 Returned Check Fee will be charged for any check that is returned for any reason.

Students transferring into the school after the first day commences will be offered a prorated tuition amount based on the number of weeks remaining in the school year with payments distributed through May 15th.

Families with more than one student will be charged the full tuition price for the oldest student only; younger siblings will receive a 5% discount for the second student, a 10% discount for the third student and so on.

Because Adventure Christian School is a private school, we rely solely on tuition for our day-to-day expenses. Unpaid tuition has a very negative impact on our ability to operate and minister to our students. If tuition remains unpaid after fifteen days, we reserve the right to drop your student from enrollment.

If at any time you choose to withdraw your student from enrollment, you must notify administration in writing or via phone call or email at least two weeks prior to your student's last day of attendance; you will be responsible to pay for 2 week's tuition whether the school is notified in advance or not. If tuition has been paid in advance, a refund will be pro-rated based on the two-week notice date or as the student's last day of attendance whichever comes first. After May 1st, there will be no refunds of tuition for students who withdraw from the program.

Parents will be notified no less than thirty calendar days prior to any modification of tuition rates and/or policies.

OUR RELATIONSHIP WITH YOU

Of utmost importance to us is our positive relationship with you and your student. If at any time you have any questions or concerns, please contact administration as soon as possible. Our school is here to serve you and your family. As a Christian ministry, it is our desire to make every effort to live in peace and resolve any disputes in private or within the Christian church. (Please see Matthew 18:15-20 and 1 Corinthians 6:1-8). We believe that obedience to these principles honors and pleases God, benefits those involved, and may lead others to faith in Christ.

SCHOOL DRESS CODE

The purpose of our dress code is to encourage modest, neat, clean, and appropriate dress to promote a positive learning environment. Our desire is to teach our students to “Dress for Success.” Scripture teaches in John 15:19, “If you belonged to the world, it would love you as its own. As it is, you do not belong to the world, but I have chosen you out of the world.” To prepare students for life after ACS, our dress code policy gradually releases responsibility to students for their appearance, moving from a casual uniform in elementary to a modified uniform in middle school, and finally an age-appropriate dress code for high school.
